Bali, January 28, 2020 – Situated at the heart of Seminyak, Bali's in the vibrant village of Petitenget, Kanvaz Village Resort, Seminyak is home for travellers where effortless comfort meets contemporary lifestyle. Conceived to make a difference, Kanvaz empowers local talent through arts, furnishings, culinary and hospitality that blends Balinese culture into unique personalized service. From upscale 147 boutique accommodation, 4 exciting culinary discoveries, stylish customizable event spaces to the stunning 110m Lagoon pool, the multifaceted resort offers ultimate getaway and meaningful local experiences for modern travellers seeking sophisticated lifestyle and just stone's throw away from Bali's most up and rising destinations and entertainment.

A HOME THAT CELEBRATES LOCAL CULTURE AND TALENTS IN A MULTICULTURAL ENVIRONMENT

Providing comforts of a home away from home, Kanvaz Village Resort, Seminyak presents all the best comforts of a home, made differently. Elevated in an elegant yet functional design, infused with local culture and unique personalized experiences. Kanvaz Resort Seminyak allows guests to paint their own Kanvaz, meaning to experience Kanvaz as they most comfortably would, done through an understanding of the sophisticated needs of today's urban travellers. The interior and architectural direction of the hotel took inspiration from royal homes of Indonesian colonial era combined with an open-space, urban village concept and genuine service from the Kanvaz team to ensure a seamless stay.

The resort design is appointed similarly to a residential home to enhance the homey and familiar feeling. During arrival guests will be dropped off at the arrival port, before being escorted to the veranda area of Blue Robin's lounge where they can either relax on a lavish sofa of the elegant Blue-themed lounge or meet and connect with other guests from other places under the high, sunlit roof while enjoying the sights of floor to ceiling tropical plants and getting checked-in. The experience continues as guest walks inside of the hotel to the living room area where locally

sourced paintings, artworks, collectible items are displayed and plenty of sofa chairs are allocated to accommodate casual lounges and light lunches. In front of the living room area, lies The Terrace area with lush tropical backyard landscapes refreshes the eyes and a lagoon-style pool that stretches to 110 meter long with generous sunlight from the open-air feature secluded by rows of comfortable guest rooms with either pool access or direct pool-view from above it.

Kanvaz Village Resort, Seminyak recognizes the positive impact it can make as a platform and catalyst to promote local talents. Paying homage to the myriad local talents and rich Indonesian traditions, all art objects, furniture, decorative items are curated, customized and handcrafted by local craftsmen to proudly showcase it to the world. Kanvaz is distinguished by its painting that is exclusively commissioned for the hotel. No two artworks will be alike; as each painting channels and communicates the stories of one distinctive hotel and its locality.

Kanvaz Resort Seminyak aims to disconnect the diverse modern travellers, coming from far and wide, away from their busy daily lifestyles and allow them to connect with the local culture, the beautiful nature, to obtain new human interactions and new experiences, all connected through authentic and unique stay experience at Kanvaz.
