

# THE PREFINITE PAPER

#11 THANKSGIVING TIME, 23 NOVEMBER 2020

*Hello!*

Welcome back to The Prefinite Paper!

And just like that, we find ourselves nearing the end of the year. It has been a difficult year but I cannot but feel grateful for amidst the turmoil, there are still many blessings to be thankful for.

We have some interesting updates from our friends at FARPOINT Realty — Verde Two just held their Virtual Media talks, and The Loggia is holding an upcoming virtual event on how to unleash your creative freedom in designing your own living space.

Mandarin Oriental, Jakarta announces the comeback of their beloved Lyon Saturday Lunch, and don't miss out on Hyatt Indonesia's first ever flash sale. Tune in to our Prefinite Instagram page and participate in our gratitude journal giveaway for a chance to win a whole cake from Sudestada Jakarta.

Stay safe and healthy!

## VERDE TWO VIRTUAL MEDIA TALKS:

### FIVE STAR COMFORT AT HOME

A living space that allows residents to live as comfortably as possible is an absolute necessity while staying at home. VERDE TWO (@verdetwo), an apartment that is the result of international collaboration in the Kuningan area of Jakarta, provides a solution for those who have been longing for five-star service at home. VERDE TWO stands on a 8,800 m2 property, consisting of two towers; Monteverde and Terraverde; which provide twenty-five indoor and outdoor state-of-the-art facilities, to support the lifestyles of their residents.

This was discussed during the VERDE TWO Virtual Media Talks event last Tuesday, 17 November 2020. Hosted by Cisca Becker, with Christina Tan (Luxury World Traveler) and Hellen Triutomo (Head of Marketing, FARPOINT). "Starting from our commitment to provide emotional satisfaction for all residents, we present a variety of facilities and experiences with international standards at VERDE TWO. Everyone has their own needs and different meanings of luxury - VERDE TWO answers these needs so that residents are satisfied with the comfort and convenience we offer", explained Hellen Triutomo.

## JOIN OUR GRATITUDE JOURNAL GIVEAWAY

A gratitude journal is a simple tool to keep track of the good things in life and stay grounded. No matter how difficult and defeating life can sometimes feel, there is always something to feel grateful for. As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them. Even more than that, regularly journaling about the good things in your life can help prepare and strengthen you to deal with the rough patches when they pop up!

Coming up to this year's Thanksgiving, we are holding a special giveaway. Simply participate by following our Instagram account, screenshot the "Today I am Grateful For" prompt, tag three of your friends and us at @prefinite.id. One lucky winner will get a whole cake from the Argentinian Grill, Bar, and Cafe, Sudestada Jakarta. Winner will be announced on Friday, December 4th 2020.
