

THE PREFINITE PAPER

#13 A BIGGER AND BRIGHTER NEW YEAR, 17 DECEMBER 2020

Hello!

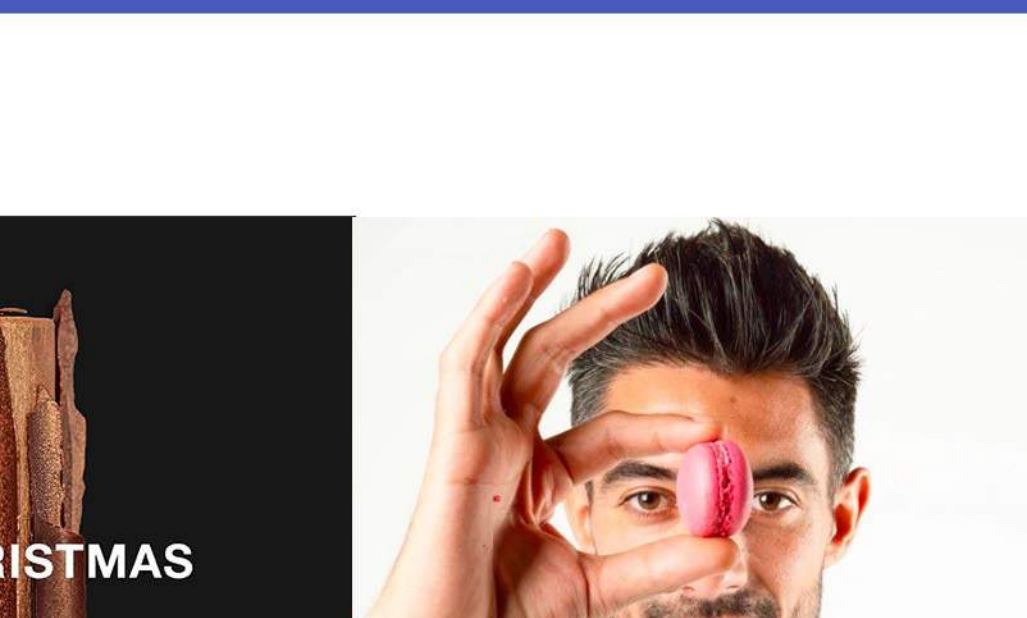

And in a blink of an eye, there goes 2020! I feel immense gratitude that we have managed to navigate through this tumultuous time with the support of our family and friends. I am ready to welcome 2021 and hoping you share the same sentiment, excited to walk towards the New Year with renewed spirit and hope.

To end this year on a positive note, we are sharing a curated list of promotions and festivities from our clients and friends to help you enjoy your holidays. We are also sharing simple tips to make your home ready for the season. Last but not least, don't miss The Prefinite Talks with Chef Victor Taborda of Sudestada Jakarta on how they celebrate the holidays.

Here's wishing you all the joy & peace this season brings!

Cheers!
