InterContinental Bali Resort Hosts The First ArtMoments Bali

ArtMoments Bali will be taking place at InterContinental Bali Resort with an exciting concept.

Bali, June 2023 — InterContinental Bali Resort is proud to announce its partnership with ArtMoments, one of the largest and prestigious art fairs in Indonesia. The resort is now the official venue partner for the first ArtMoments Bali that will run from 23 to 25 June 2023.

The inaugural ArtMoments Bali presents the theme of 'Infinite Boundaries' to emphasize the infinite value of creation. ArtMoments Bali's debut will be adapting the Hotel Room Art Fair concept, which is also the first of its kind in Indonesia. This concept will utilize several guest rooms functioned as an art space for the artists to showcase their artwork. A total of 14 guest rooms will be set up to display nearly 400 works of art from more than 100 artists from 15 galleries in Indonesia and beyond, along 2 special presentations. The exhibition will also spread into the three function rooms at the Mezzanine Level of InterContinental Bali Resort's Jimbaran Convention Center for sponsored art programmers.

Jimbaran Convention Center designed by ARKdesign Architects and inspired by an art gallery concept, is one of the most extensive event spaces in Bali. It is home to more than a dozen multi-purpose spaces, including one of the largest ballrooms on the island as well as ample outdoor space options.

"We are honored to be trusted as the official venue partner of ArtMoments Bali 2023 " said Christoph Pouls, Resort Manager. InterContinental Bali Resort has always supported the development of art and culture in Bali. By hosting this exhibition, we hope to contribute to the flourishing art scene and provide a platform for artists to gain recognition and appreciation. We
