Under the artistic direction of Rizki Zaelani, ArtMoments Bali will embrace the theme of “Infinite Boundaries.” This theme highlights the ever-evolving nature of contemporary fine art, reflecting the present era’s changing lives and societal dynamics. Artists participating in the event will embrace the challenge of creating artworks that mirror the complexities and triumphs of modern life.

“ArtMoments Bali aims to support the development of the art market in Indonesia by establishing Bali as one of the art destinations in Southeast Asia. Our mission is to provide a platform to connect the art market with potential buyers in Indonesia and beyond. As well, we would like to offer the chance to acquire art for the public by using Cicilan BCA 0% until 24 months for art items,” explained Sendy Widjaja, the Co-Founder and Fair Director of ArtMoments.

ArtMoments Bali opens its doors with a remarkable gong beating moment, signifying the commencement of the event and followed by a stunning performance of traditional Balinese dance. Remarks were also delivered by Christoph Pouls, Resort Manager of InterContinental Bali Resort as the Official Venue Partner, and the honorary guest, the Head of the Bali Provincial Office of Culture, Prof. Dr. I Gede Arya Sugiarta.

“We are honored to be trusted as the official venue partner of ArtMoments Bali 2023. InterContinental Bali Resort has always supported the development of art and culture in Bali. By hosting this exhibition, we hope to contribute to the flourishing art scene and provide a platform for artists to gain recognition and appreciation. We are committed to fostering creativity and celebrating the rich cultural heritage of Indonesia through our continued support of such artistic endeavors,” said Christoph Pouls, Resort Manager.

Sendy expects that ArtMoments Bali 2023 will also bring a new experience that has yet to happen in Indonesia by inviting art galleries and artists to respond to the hotel room art fair at 14 rooms in InterContinental Bali Resort to showcase their works.

“We hope this can bring ideas for the public on displaying art in their living or working spaces so art can become an integral part of their daily life,” added Sendy.

The inaugural ArtMoments Bali also presents some exciting programs: CONVERSE MOMENTS, MAKER MOMENTS, and ENCOUNTER MOMENTS involving creative professionals, industry experts and key opinion leaders.
