Introducing Aubree: Jakarta's Newest Lifestyle Space for Tasteful Escapes and Timeless Comfort

From elevated global comfort food to layered, design-led spaces, Aubree offers a soulful new dining experience in the heart of Agora Mall

INDONESIA, 18 JULY 2025 – In a city that never stops chasing the new, Aubree arrives not with noise, but with nuance. Tucked inside Agora Mall, it is not just a place to dine but also a place to *feel*. A warm retreat in the city, Aubree offers a unique blend of thoughtful, elevated comfort food with global roots, all served in a cozy, nostalgic setting. It's designed for those who appreciate the simple joy of great taste and a welcoming ambiance.

Step inside and you will be transported—not just geographically, but emotionally as well. Inspired by the slow joys of travel, Aubree invites guests to return to old memories, spark new ones, and linger in the spaces in between.

“We wanted to create a place that feels both familiar and inspiring,” shares the team behind Aubree. *“A space where every dish has a backstory and every corner invites you to slow down.”*

Where Comfort Food Finds Its Passport

At Aubree, nostalgia meets refinement. Each dish is not just a meal, but a tale that is rooted in the flavors of faraway places, reimagined with elegance, and crafted with intention. The menu is a love letter to global comfort, filtered through the lens of soulful precision.

Signature plates include:

- Salmon Red Curry – Buttery seared salmon swimming in a bright, Thai-style coconut curry evoking a familiar yet thrilling taste.
- Lamb Rack with Spiced Tamarind Glaze – A poetic clash of earthy Middle Eastern spices and zesty Indonesian tang.
- Garang Asam Barramundi – A modern ode to Javanese soul food with light, tangy, and deeply evocative flavor.
- Roast Chicken with Herbs Butter – A study in simplicity of a flavorful, fragrant, and utterly comforting dish.

With seasonal specials that evolve like the chapters of a travelogue, Aubree's menus are not designed to chase trends but built to create memories.

A Space That Moves With You

From sunrise to starlight, Aubree flows with the natural rhythm of the day. By morning and midday, the ground-floor bistro is sun-washed and buzzing. Travel sketches line the walls. Reclaimed teak, mother-of-pearl terrazzo, and open kitchens tell stories of journeys both literal and imagined. Whether it is a solo breakfast, a long lunch, or a laid-back catch-up, the space is a canvas for connection.

And as the light shifts, so does the mood.

Upstairs: A Space for the City's Modern Rhythms

The second floor of Aubree is where the city's energy meets ideas and innovations—a thoughtfully designed haven for Jakarta's urban professionals. Whether you are easing into the day with a quiet coffee, hosting a midday brainstorm, or winding down with colleagues over cocktails, this level offers a natural extension of the workday into something softer, more inspired.

Attached to and directly accessible from the office building, it is a practical yet elegant setting for those on the move. Private meeting rooms with seating for up to 20 are available for team gatherings, presentations, or creative work sessions with the bonus of Aubree's signature hospitality woven into the experience.

As the light fades, the atmosphere transforms. The upstairs bar and lounge becomes a sanctuary, filled with the comforting scent of spice and citrus. The outside world softens, and what remains is a space to reflect, connect, and savor.

The beverage menu is globally inspired and deeply personal, with cocktails that explore floral, fruity, smoky, and spiced profiles. Signature drinks like the *Hazelnut Milk Punch* and *Guava All the Way* strike a perfect balance between creativity and comfort, served in a setting that feels like your own corner of the world.

A Taste of Twilight: Sunset Lagoon by Jasper

This season, Aubree unveils a special collaboration with rising talent **Chef Jasper**, creating a dessert that tastes like golden hour on a faraway coast.

Introducing **Sunset Lagoon**: layers of chocolate mayonnaise cake, citrusy lemon icing, lush orange caramel, peanut crumb, and a delicate orange glass. A playful, tropical reverie. The special dessert is available only for a limited time.

It is whimsical. It is precise. It is exactly what Aubree is all about.

What Comes Next

Aubree is just beginning its journey. Upcoming seasons will bring deeper storytelling: new postcard-inspired menus, partnerships with local producers and artisans, and a curated line of take-home treasures, like bottled cocktails, spice blends, travel diaries, and more.

Wherever the road leads, one promise remains:

Aubree will always be a place where food, design, and memory meet. A space that stirs the soul, invites curiosity, and welcomes you back again and again.
